HIGHWAYS AGENCY

Driver Location Signs |

M25 B 43.8

In the event of an accident or breakdown, these letters and numbers gives the exact location of where it is.

A or B indicate the direction of travel. (For the M25 A is clockwise and B is anticlockwise).

The numbers refer to the kilometres from a point near Junction 31 on the M25. (The first sign is near Junction 1a).
