## DR. WAUGH'S. BAKING POWDER.

Many cooks know all about it;  
And those are never found without it;  
"WAUGH'S," they say, is "near or all,"  
And never do they for other call.

Whoever knows the reason why  
DR. WAUGH'S is voted best?  
'Twas just his baking Powder buy,  
And put it to the test.

With it a girl can make a cake  
As light as any feather;  
But if she some other takes,  
'Twill turn out just like leather.

Whoever with it makes  
Pies, or tarts, or scones, or cakes;  
If used it in with proper care,  
Result will be as light as air.

And delighted guests will raise  
Their voices in unmeasured praise,  
From home-made as well as surely never  
From Waugh's Baking Powder serve.

The Powder serves both rich and poor;  
You can do without the baker;  
It keeps the doctor from the door;  
Also the undertaker.

Though Holloway may cure with Pills,  
And Davis kill the pain;  
Good Dr. Waugh pervades your life,  
With his Powder, pure and plain.

His Baking Powder, mixed with dough,  
Makes bread both good and pure;  
Prevention is, as all do know,  
Better than cure in prevention.

If as years do onward run,  
You would indigestion shun,  
Try the Doctor's great invention;  
'Tis better than cure in prevention.

This Powder in question, checks indigestion;  
Is preventive of sickness and ill;  
Be advised then, and get it; you'll never  
regret it.

And you'll never want anyone's pills.

Always the Purest and Best.
