MERITORIOUS UNIT COMMENDATION

During the period of 1 April 2021 to 7 November 2022, the above cited units displayed exceptional meritorious service in support of the Retrograde Operation from Afghanistan, Operation Allies Refuge, Operation Allies Refuge at the Hamid Karzai International Airport, and Operation Allies Welcome. These units conducted the deliberate withdrawal of United States and partner nation forces from Afghanistan, culminating in the largest evacuation of non-combatants in United States military history. The units were tasked with the withdrawal of military equipment along with United States coalition, and contractor personnel concluding the two decades of combat operations in Afghanistan. The outstanding planning, coordination, and execution of this theater-level task directly impacted the follow-on mission relief efforts for Afghan nationals who were eligible for U.S. Special Immigrant Visas and facilitating logistical support operations at Hamid Karzai International Airport. During the last 24 hours, the United States Military effectively and meticulously evacuated the final 1,200 personnel utilizing 26 C-17 flights while operating in tandem with coalition forces that flew an additional two flights out of the airport. With the success of 19 flights in the closing hours, there were zero casualties reported, concluding the 20-year war on terrorism one minute before midnight in Kabul. Lastly, units comprised of over 10,000 Department of Defense Personnel were responsible for the reception, temporary housing, sustainment, and medical support for nearly 80,000 Afghan evacuees. These units coordinated efforts with local, state, federal, and non-government organizations in order to function as self-contained small cities. Paramount to mission success was the synchronization of inbound flights from overseas to intermediately staging bases to ensure air traffic was coordinated to the correct destinations for what was declared the largest Noncombatant Evacuation Operation in U.S. history. The professionalism and readiness of the units led to a seamless transition from the short-term mission of immediate reception, medical, and humanitarian concerns to the longer-term mission of ongoing support and resettlement of the evacuees. The participating units' coordination, care, and outstanding performance of duty are in keeping with the finest traditions of military service and reflect distinct credit upon themselves and the United States Army.
