INTERNATIONAL TRAVEL

United States Custom and Immigration Officers will examine all passengers and their hand baggage on arrival of trains at border points. Pullman porters will awake sleeping car passengers before arrival. Please have your baggage ready.

American Citizens do not require passports to enter Canada, but should present documentary evidence of citizenship or naturalization papers to permit re-entry to the United States. A birth certificate is the best form of evidence.

Non-citizen residents of the United States must have re-entry permit or resident alien border crossing card to return. Otherwise they will be required to obtain passports and visas before being readmitted to this country.

Newfoundland Travelers, whether United States citizens or non-citizen residents, are required to present passports.
